Dear Bob,

I hope this finds you well, and look forward to what we can accomplish in this new year. Last week, I sent each of the two tribes a revised draft MOU and invited them to confer in San Francisco a few weeks hence. We are mindful of giving them a reasonable amount of time to review the documents, though we will check in with them this week to determine if they wish to meet here.

I've been in touch with Kell Kelly and Brad Crowell about a date when we might bring together Gov. Sandoval, EPA Administrator Pruitt, you and others to sign/commemorate our action. While some had suggested Jan. 26, I think a couple of weeks later is more realistic, given what we're finalizing at the moment. I've asked Kell to help me in that regard, and will work with you and Brad on any specifics.

I'd be glad to talk at your convenience, just wanted to give you an update re timing and tasks.

Warm regards,

Alexis
